Re : K Clamp Handrails

Dear Graham

We have pleasure in forwarding our quotation to supply and fix K Clamp handrail to match existing as near as possible and installed as your drawing.

We have allowed for this to be in a 42 mm round section, this can be adjusted if required, black powder coated finish to rails and fittings. I have included for protection and clearing away on completion.

I have not allowed for any timber handrails to be fitted on top of the rails.

We have assumed we will have free use of electric and the use of the w/c.

Our costs for the above including VAT will be £7416.84.

If you have any quires please do not hesitate to contact me.

Kind regards

Ian Wilson

Ian Wilson
