Subject: Co-option to the Council
To: Rachel Faulkner <clerk@kidlington-pc.gov.uk>

Dear Rachel

I wish to be considered for co-option to the Council to fill one of the three vacant seats in Dogwood. It is important that these residents have councillors to represent them.

I didn't stand for election last week because I was concerned about my time commitments. I have now relinquished another responsibility requiring my time. Also, on reflection, I feel that the experience I have gained as a councillor over the last four years should mean that I can now fulfil the role with a more efficient use of time spent on council matters, especially meeting preparation.

During the last four years I became familiar with the work of the Policy & Finance and Planning Committees so, if possible, would welcome an opportunity to put this knowledge to further use by contributing again to their work.

Kind regards

David
